Dear John,

Thank you for your free service in restoring our backup harddisk as well as the free courier service. Yet it is not fully recovered but we still can get the most valuable data from it. We are deeply impressed by the talents and efforts that you and your team put into the recovery process. Your contribution not merely demonstrates that your company is a caring company but also display a good corporate social responsibility.

Again, please accept our sincere gratitude for your time and support. We look forward to partnering with you and your company in the near future.

Sincerely yours,
